How to Protect Yourself: Avoid dark vacant places; be alert. If you are being followed, head quickly to a lighted area or to a group of people; avoid places where you are vulnerable and there are no exits. When walking: Avoid shortcuts; walk where there is plenty of light and traffic; never walk alone at night unless absolutely necessary; report any suspicious activity or misconduct to Campus Police; Give your car the "once over" before entering with a critical eye for possible break-ins or persons in the rear seat or floor area. If you see something suspicious, say something.
